However, the important task of finding the right school for your ward must go on.

As a socially responsible organisation, in place of in-person counselling, the school is offering simplified, safe and effective online admission counselling.

Please take note of the procedure for the same:

1. Telephonic counselling with the Admission Counselors @ 8283900097, 9878938221
2. Virtual tour of the Campus
3. In view of the recent COVID-19 outbreak, we are only accepting online transactions while you stay safe at home.
4. Online Registrations vide Admissions Registration Forms available on the school website ([www.gillcoschool.com](http://www.gillcoschool.com)) and on whatsapp 8283900097, 9878938221
